The new DEVON Motor Caravans

DEVON

set a new trend in luxury

No longer than an ordinary saloon car (and just as easy to handle) a Devon Motor Caravan is ideal for day-to-day use all-year-round, shopping, taking the children to school, travelling on business, picnics in the country . . . it takes everything in its stride without any problems. A Devon thrives on the busy life and its economical performance doesn't put a strain on the family budget.

Three brilliant conversions to choose from—the Devon Eurovette, the Devon Caravette, the Devon Torvette, all synonymous with high quality finish and versatility of layout . . .

The 'EUROVETTE'

The 'CARAVETTE'

All three models have these outstanding features: Cooker unit with grill for use inside or outside; storage, washing facilities, built-in food storage; interior electric lighting, tables detachable for indoor or outdoor use. Full size double bed slides in and out for day or night. All woodwork in natural oak finish. Armstrong relief textured tiles. Attractive vinyl panelling throughout — reversible deep foam seating covered in vinyl/duracour fabrics (Torvette — vinyl throughout) — curtains in gay modern fabrics — nylon runners — built-in hanging rack and shoe storage — accommodation for bicycle — rear seat locker — roof locker — two large drawers — other cupboards.

The Devon Eurovette includes side awning — Marmite crockery and stainless steel cutlery for four persons — cab hammock bunk for two children all at no charge. Any or all of these items can be obtained as optional extras on the Caravette or Torvette.

Exclusive to the Eurovette is a cooker unit with oven in addition to the usual two burners and grill. Also passenger headrest and fire extinguisher.

IDEAL FOR HOLIDAYS AT HOME OR ABROAD . . . PERFECT

end in luxury

The 'EUROVETTE'

. . . and what a boon for carefree, inexpensive holidays at home or abroad. The ingenious interior layout offers seating capacity for a really large family and still has lots of space for baggage. By night, ample and comfortable sleeping accommodation for two adults plus commodious hammock bunk for two children as an optional extra. No longer the problems associated with towing . . . no more speed restrictions . . . no more parking difficulties. A Devon Motor Caravan is a car, hotel and a home rolled into one. Add to these advantages the fact that it is built on a Volkswagen chassis and you'll appreciate why the Devon is Britain's most economical and most luxurious motor caravan.

three models have these outstanding features. Cooker unit with grill for use inside or outside, water tap, washing facilities, built-in food cooler, superior electric lighting, tables detachable for indoor or outdoor use. Full size double bed slides away by remote control. All woodwork in natural oak finish. Floors in strong relief textured tiles.
